Applications are due prior to enrollment. Priority will be given to applications completed by Friday, March 18. I have a limit of 6 students. Please send a copy by electronic mail to me at gottlieb@ku.edu. Please note that Immigration Law is ordinarily a prerequisite to participation in the clinic. Also note that you cannot enroll in more than one clinic at a time, unless you receive consent from both professors, and that this program is subject to the clinic hours requirement.

Describe your reasons for wishing to participate in the Clinic.

Have you completed or are you currently enrolled in Immigration Law?

Will you be working this year for any branch of the State or Federal Government? (This question is asked to determine the existence of potential conflicts of interest)

List other commitments you will have during your participation in the clinic (include extracurricular activities, part-time jobs and the number of hours each will consume).

If you have foreign language ability or other experiences you believe may be potentially relevant to work in immigration and asylum cases, you may let me know here.
